Bangalore, 3rd April 1934.

TO

THE SECRETARY TO THE HON'BLE THE RESIDENT
IN MYSORE, BANGALORE.

Bangalore Water Supply-Casual Personnel.

Sir,

1. I have the honour to state that it has always been the intention to transfer the existing water supply staff to the Municipal Commission when the control of the distribution system is handed over.

Orders have now been received from Army Headquarters to hand over control forthwith.

2. There is however considerable uneasiness amongst the staff. The belief has grown up amongst them that a large number will be retrenched and that the remainder after three months service with the Municipal Commission will be given the option of taking a greatly reduced rate of pay or dismissal.

3. It is considered that any serious reduction of the members of the staff or of their pay will lead to a lower standard of efficiency of the water supply system. Moreover many of these men have served the Bangalore Water Supply for a great many years and are worthy of generous consideration.

4. I have to request therefore that assurance

4. While it is realized that the fears of these men are probably quite unfounded, it is hoped that some assurance may be given to them that their future treatment will be substantially the same as if they had remained under M.E.S.control.

I have the honour to be,

Sir,

Your obedient servant,

C. R. Newman

Major-General,

Commander, Madras District.

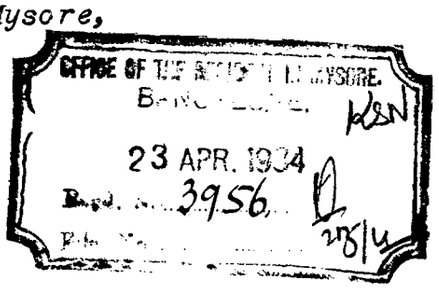
President, Municipal Commission,
Civil and Military Station, BANGALORE.

To

The Secretary,
Hon'ble the Resident in Mysore,
Bangalore.



SIR,

x S.N.2 of (L) With reference to your endorsement No.2514 dated 7-4-1934 forwarding a copy of letter No.1686/83/E.1, dated 3-4-1934 from the Headquarters, Madras District, Bangalore for my remarks, I have the honour to state that it is impossible for me to say at present how many members of the staff may be retrenched. There are a few very old people on the staff at present, who will in all probability have to retire from service but due consideration will be given to each individual case. The intention of course is that a high standard of efficiency should be maintained.

I have the honour to be,
Sir,
Your most obedient servant,

L. J. MacIver
